AWARD

The Government of Karnataka by their order No. SWL 834 LLD 76, dated 8th February 1979, have referred the following points of dispute to this Court for adjudication :—

POINTS OF DISPUTE

1. Is the management justified in terminating the services of Sri M. D. Hussain, Driver, w.e.f. 7th March 1976?
2. If not, to what relief is the said workman entitled?

Both the parties though duly served with the notice of this reference have remained absent. As per the points of dispute, the burden was on the second party management to prove that they were justified in terminating the services of the first party workman w.e.f. 7th March 1976. The second party management has not appeared and has not adduced any evidence to show that they were justified in terminating the services of the first party workman. Hence, it has to be held that the termination of the services of the first party workman is illegal and therefore not justified. The reference is thereore allowed. The second party management is directed to take back the first party workman on duty within one month from the date of publication of the award in the *Karnataka Gazette*. Since the workman is absent there will be no order regarding back wages and continuity of service. No costs.
